

Dr. Dinh Duc NHA NGUYEN (NHÃ/TONY) - [Homepage](#)

I have published many papers, including Q1 journals in top-tier venues such as TDSC, and one in a B-ranked conference. I have mentored students to publish a high-impact paper and contributed to an Elsevier book chapter. I have received multiple awards for academic excellence, secured a successful grant application, and won an international prize. My teaching roles have been highly rated, with positive feedback from students. I also have extensive experience working with industry partners. Additionally, I hold [professional certificates](#) across multiple domains. I am the founder of the [vcyber](#) research lab.

WORK EXPERIENCE [Research statement](#)

12.2024 – PRESENT

VIN UNIVERSITY (VIET NAM)
